Fellow Youth Ministry Leaders,

I am writing to endorse and recommend Jessica Bryan, an incredibly gifted communicator and minister from of the PennDel Ministry Network. Jessica served as a youth pastor in our network for over 10 years and is an ordained minister in good standing with the Assemblies of God.

Jessica is an outstanding expositor of the Word. We've been privileged to have her as a communicator at youth camp, our PK/MK retreat, and winter retreat. Jessica's skill at communicating the Word in an effective and relevant way are second to none. Her illustrations are down-to-earth and connect with both students and leaders. The Holy Spirit's anointing in her life has been demonstrated in power through the results we've experienced at the altar, as students consistently respond in sincerity to the messages Jessica has preached.

As a youth pastor, Jessica was thoroughly committed to our Assemblies of God values and methods. During her tenure as a youth pastor, Jessica set an example by empowering students to be Campus Missionaries through Youth Alive. Her commitment to Speed-the-Light was equally exemplary, as she led her students and her church to outstanding sacrifice towards God's mission. Jessica also served with excellence as a sectional representative for several years.

As a District Youth Director, I know how challenging it can be to find camp, retreat, and convention speakers who are both effective in their preaching and thoroughly committed to Assemblies of God values and methods. Jessica is one who is effective and committed in both word and deed. Please consider her for your next youth event. Thank you!

Please feel free to contact me should have any questions.

Blessings,

Lee Rogers
