Re: Jessica Bryan

I have known Jessica over the past few years. We served as members of the Penn-Del Network Executive Youth Committee together, and I was impressed with her outlook and ministry. I have had her come to our church to minister, and she did a great job of communicating and connecting with our congregation. Her message was contemporary and compelling and was strongly biblical. I would wholeheartedly recommend her to you for consideration in bringing her to minister to your church or group. Please feel free to contact me if you have any questions or would like any further information about her.

Sincerely,

Rev. David Twiss

North East Sectional Presbyter of the Penn-Del District of the Assemblies of God
